OUR SERVICES

WE ARE MEMBER OF

WONDER OF ASIA

The beaches are hard to resist and water sports are highly tempting. Majestic landscapes are yours to take in: mesmerising lagoons, natural wetlands, scenic forests, towering mountains, lively rivers and waterfalls. There, an abundance of wildlife and natural habitat await you to immerse yourself in. Heritage sites that give insight to cities and colonial forts of ancient times are there to educate you on a vibrant culture so diverse, just like the charismatic and congenial people that surround and enliven every place.

Ultramodern attractions will amuse, entertain, and relax tourists. With an abundance of Ayurveda wellness spas and ever-expanding shopping centres, Sri Lanka has been establishing itself as one of the most popular destinations for honeymooners to celebrate their first days as married couples. Ceylon of old, the Island of Sri Lankamay be small but it is filled with great scenery and offers such a tremendous wealth of culture and history. With just one visit, one will see and experience why Sri Lanka is truly the wonder of Asia.

GEOGRAPHY & WEATHER

You'll find beautiful Sri Lanka three degrees north of the Equator. Expect sunny skies to give you a warm welcome as you reach the shores of this hot, humid, and tropical paradise. Even the short monsoon season won't keep the sun from shining on you. The tropical low lands average at 27°C but temperatures may drop to 14°C over the Central Hills.

May to July brings southwest monsoon showers towards the southern, western and central regions. Northeast monsoon rains fall in December until January. But generally, you get warmth and sunshine all year in Sri Lanka. Its friendly climate will have you enjoying your holiday anytime of the year.

SRI LANKA DESTINATIONS

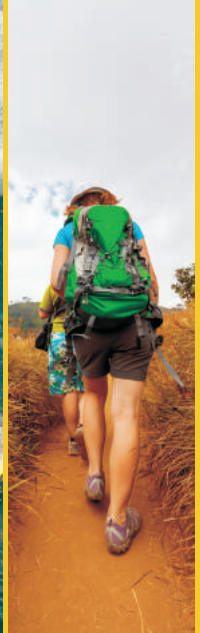

ADVENTUROUS SRI LANKA

Varying climates and unique geography truly makes your trip to Sri Lanka as diverse and as adventurous as it can be. Awesome views accompany your mountain hikes and the grandeur of marine life will leave you wide-eyed like a child.

Adventurous Sri Lanka Tour gives lots of options. Bathe in the ocean, scuba dive, snorkel, surf and more; this tour will get you into water sport adventures during your stay. Get a feel of white water rafting, canoeing, and kayaking. Scuba diving is most recommended; meet a lot of exotic fishes you'll only get to see in Sri Lanka. Check out the coral reef below up close and personal. Try surfing in the southern and east coast; fast rising surfing spots worldwide.

The tour will also get you trekking through wide expanding forests, scenic mountain ranges, lovely parks, and idyllic villages. Challenge yourself; climb for a better view of Bambarakanda waterfall, the country's tallest. Try a horse ride or better yet an elephant ride around the country and hillsides.

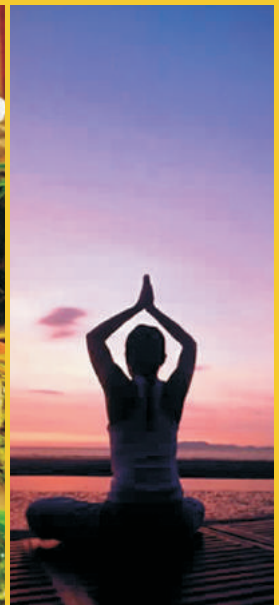

AYURVEDIC & WELLNESS

Ayurveda is South Asia's oldest system of healing to date. Practitioners have been employing and improving this natural system of healing for over 5,000 years now. With Sri Lankans, Ayurveda is a way of life; it's even part of their national health care system. Knowing the island is indeed one prime vacation place for de-stressing and restoration.

Closer to nature, you will definitely feel the balancing process between your body and its energy. Let our Ayurveda Round Tour package help you get back into tiptop shape. We will create a fun and healthful itinerary for you and your whole family or tour group. Experience the spiritual and physical rituals that truly bring mind, body, and spirit renewal. Take Yoga and Ayurveda retreats; try out Ayurveda massages for releasing stress and negativity. Experience herbal baths for total detoxification.

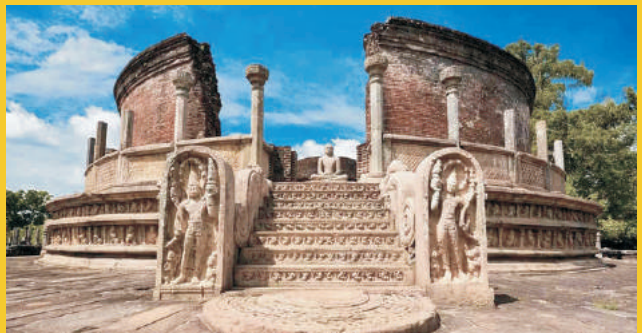

HISTORICAL & CULTURAL HERITAGE

Spend memorable days familiarizing yourself with the richness and vastness of cultural heritage that is truly Sri Lanka. Even UNESCO recognizes the value and depth of Sri Lanka's culture. It declared 6 archaeological World Heritage Sites in the country. The sacred cities of Anuradhapura, Polonnaruwa, and Kandy which will pique your interest by its ancient ruins; the golden temple of Dambulla which will mesmerize you with the awesome stairway leading to the temple; the ancient city of Sigiriya which elicits sensual impulses; and the old town of Galle and its fortresses. The Sinharaja Forest Reserve is also a world heritage site.

Be immersed in Sri Lanka's ancient culture and heritage and see what a remarkable mix of cultural, historical, traditional, and religious culture Sri Lanka really is. Monasteries, shrines, and temples will stun you. An experience of local attractions brought by Figo Holidays, like unique religious festivals of Nallur (for Hindus) Madhu (for Catholics) and Vesak (for Buddhists) will interest you. Old historical relics will arouse your curiosity of the past.

TEA AND HILL COUNTRY

No visit to Sri Lanka will be complete without a Hill Country Tour and what a much better way to plan by letting Figo Holidays arrange all that for your visit! A train ride overlooking awesome sceneries await. Trains leave daily via Colombo's Fort Railway Station. Get your photography gear to great use as you ride through the rolling hills, passing forest-green mountains. White clouds and blue skies complete a picturesque sight.

An easy hike will tempt you at Little Adam's Peak. Patiently trek the top and you'll be rewarded with a 360-degree view of the forestry below. You can even have a romantic picnic with your beau or babe; why not propose right there!

Visit Thomas Lipton's tea plantation of Haputale Mountains and sit where he lounged in view of his large busy estate. Other places of interest surround and await your tour of Hill Country.

Hill Country Tour will have you peacefully riding and walking through the cooler climate its mountainous surroundings provide. Calm your body and soul at the sight and sound of waterfalls found almost at every bend.

RELAXATION AT BEACHES

Sri Lanka is gaining wide popularity as a tourist's dream vacation spot. Awesome beaches surrounding the island are favorite relaxation places foreigners visit during holidays and special occasions. With all that Sri Lanka has to offer, it truly is no surprise that tourists just keep coming back to the fine sands, enticing waves, green mountains, alluring forests, mesmerizing temples, and many more.

With Figo Holidays, you'll get a good experience of the unique and vibrant life that's truly Sri Lankan. Enjoy beach holiday packages that are budget-friendly yet full of fun and adventure. A package that's worth every penny, that's what we will customize for you. Be greeted by Sri Lanka's clear blue skies and welcoming palm trees. Enjoy swimming, sunbathing, deep sea fishing, water sports, rafting, and diving in the waters of Negombo (South of Colombo), Bentota, Mt. Lavinia, Mirissa, Galle, Passikudah, Unawatuna, East Trincomalee, Arugam Bay, and more.

NATURE AND WILD LIFE

Sri Lanka may be a small island but it boasts of a whole lot of offerings for tourists and vacationers. Considered as one of the best South Asian islands for wildlife immersion. The island is isolated from the mainland and a range of altitudes provide for variations in climate which are what makes wildlife as diverse as ever. Sri Lankan royalty has remained protective over its natural resources, establishing Mihintale, the most ancient of all natural reserves worldwide.

Enjoy visiting wildlife sanctuaries during your stay. Check out over 140 bird species at Sinharaja Rainforest or go camping at Yala National Park, the second largest national park of Sri Lanka, and be awed by the elegance of wild elephants passing by, 44 species of which are uniquely Sri Lankan heritage.

Spot leopards, sloth bears, mugger crocodiles, and more. A visit of magnificent coves in the south completes it as you meet giant sea turtles peacefully nesting ashore. Have a boat trip and meet tender giant blue whales and dolphins roaming about the Indian Ocean.
